Equipping Intentional Grandparents: *Inspiring Future Generations*

Description: Grandparents play an essential role in their grandchildren's lives by uniquely influencing them spiritually. Similarly, many individuals without grandchildren have opportunities to demonstrate Christ's love to children around them. This six-part video series aims to equip grandparents and other caring adults to inspire future generations to know, love, and serve Christ.

1 & 2 Thessalonians: *The Hope of Holiness*

Description: This study examines Paul's first epistle to the Thessalonians. Through God's Word, we see Paul's genuine care for believers, driven by love and the understanding that truth is personal. Jesus taught, "I am the truth," not just facts. Let's engage with God's Word personally and together, praying for His Spirit to reveal truths to guide us and to share with others.

Teachers: Steve Minder & Pete Ottoson

Room: #122

Duration: Present - Sunday, May 24

1 & 2 Timothy & Titus:

Description: Paul's letters to Timothy offer wise instructions on how to deal with difficult people. Today, self-centeredness and supersensitive feelings often conflict with straightforward preaching, and as a result, people become unruly. Not surprisingly, they malign the pastor. As we study, we will gain a deeper appreciation for our church, its leaders, its character, its purpose, and our role in it. The world seems to be in worse condition these days. Therefore, the church - all of us believers - needs to be at our best, leading holy lives and proclaiming the holy gospel.

Discipleship Groups & Bible Reading Plans

We encourage you to become more like Jesus Christ. One way you can do so is by being involved in discipleship groups at FWC. Throughout the year, various Sunday school classes and small groups will meet to help you grow in your faith and become more like Jesus Christ. If you'd like to join a group, please attend it.

Another way to grow closer to God is to read the Bible (God's Word) daily. Bible reading plans are available at the Info Desk.
